

Recall of rope lock to Redcord AXIS

Rope lock with plastic trigger

Rope lock with metal trigger

Redcord advises all its customers that have purchased Redcord Axis immediately to stop using the rope lock.

Redcord has received reports that the rope lock for Redcord Axis could break during use. It has been detected defective material for some of the rope locks.

We strongly advise all our customers and users that own a Redcord Axis to exchange the rope lock.

Redcord offers you the opportunity to exchange the rope lock for Redcord Axis with an alternative rope lock.

For additional information or question about this matter, please contact your local Redcord supplier.

We sincerely apologize for the inconvenience this is giving you.
